

Young & European

Get acquainted with European values

The 'Young & European' project weeks will focus on European citizenship in general and more specifically on the European Union and European decision making procedures

International
teamwork

WHO

4 schools from 4 different countries within the EU will be invited to stay in Alden Biesen to complete a 5 days' residential work program. Each school sends max. 10 students accompanied by 2 teachers. Students are 17 to 18 years old, the equivalent of final years of secondary education.

WHY

To foster the promotion of European citizenship among young adults, the "Young and European" project aims to bring pupils of different European countries together. With many years of experience in organising European project weeks for youngsters and adults, Alden Biesen forms an ideal setting to allow your students to gain hands-on experience on how European decision making takes place.
